

BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Meeting Date: April 17, 2002

Division: Public Safety

Bulk Item: Yes X No

Department: Upper Keys Health Care Taxing District

AGENDA ITEM WORDING: Approval to use the 1994 Ford Type III Ambulance, Vehicle Identification #1FDKE30MORHB55642, County ID #141906-03, for a trade allowance to Wheeled Coach, Inc., in the total amount of \$5,200.00

ITEM BACKGROUND: On September 19, 2001, the Board granted approval to purchase one (1) 2002 Type III E-450 Emergency Medical Vehicle (ambulance) by "piggybacking" on our own previously awarded competitive bid from Wheeled Coach Industries, Inc., in the amount of \$92,294.00, to replace a 1994 Ford Type III Ambulance for Key Largo Volunteer Ambulance Corp. Previous direction received from the Board was to advertise the surplus emergency vehicles for sealed bids, rather than use them for trade allowance. On November 20, 2001, the Board granted approval to remove the 1994 Ford Type III Ambulance from inventory and advertise it for bids. However, at the bid opening held on February 28, 2002, no bids were received for the vehicle. Wheeled Coach has offered a trade allowance of \$5,200.00 for the 1994 ambulance. The trade allowance would be applied towards the purchase of the 2002 Type III E-450 ambulance, reducing the total cost of the new vehicle to \$87,094.00.
